DIRECTIONS TO BHEJANE EHLATHINI CAMP

From Hluhluwe: Drive straight through Hluhluwe town. You will go past 3 traffic circles. At the 4th traffic circle turn left. You will drive past Supa Quick and Hluhluwe Build it.

Turn right at the first turn-off. There will be signs indicating R22 Sodwana Bay. As you turn you will cross the railway line (train track). From the railway line (train track), you will travel on this road (R22) for about 18km before you get to the D554 (Ehlathini / Bhejane turn off) on your right hand side. Look out for a green and white sign board – the writing on the sign is difficult to read until you are very close – it reads D544. Turn right here. This is a dirt road. Travel down this road for about 500m and look for the first road left (D554). On your right there is also a sign that reads Ehlathini Bush camp. Turn left here and carry on down straight until you get to the next sign pointing towards a small dirt road on your right – the sign also reads Ehlathini Bush Camp. This road runs along the side of a pineapple field and takes you right up to the Bhejane Gate.

Once at the gate, you can hoot softly or just give us a call on any of the following numbers to let us know that you have arrived. We will then send someone to open the gate for you.

Welcome to Bhejane!
